Navigating the “New Normal” in Higher Education Scheduling

Presented by The RegisterBlast Team

WHO WE ARE

**Higher education
scheduling made easy
for over 17 years.**

Exams. Check-in. Resources. Events.

A cluster of white COVID-19 virus particles, each consisting of a central circle with two smaller circles attached, is positioned in the upper right corner of the slide.

WHAT IN THE WORLD IS GOING ON?

COVID-19 is changing how we do things.

- Increased social distance.
- Reduction of surface touch points.

WHAT IS REGISTERBLAST DOING TO HELP?

Bringing powerful new value to already robust tools.

- Assign and manage seats with *Seating Charts*.
- Queue and notify registrants with *Waiting Lists*.
- Send immediate alerts with *Text Notifications*.

University

Exam Registration

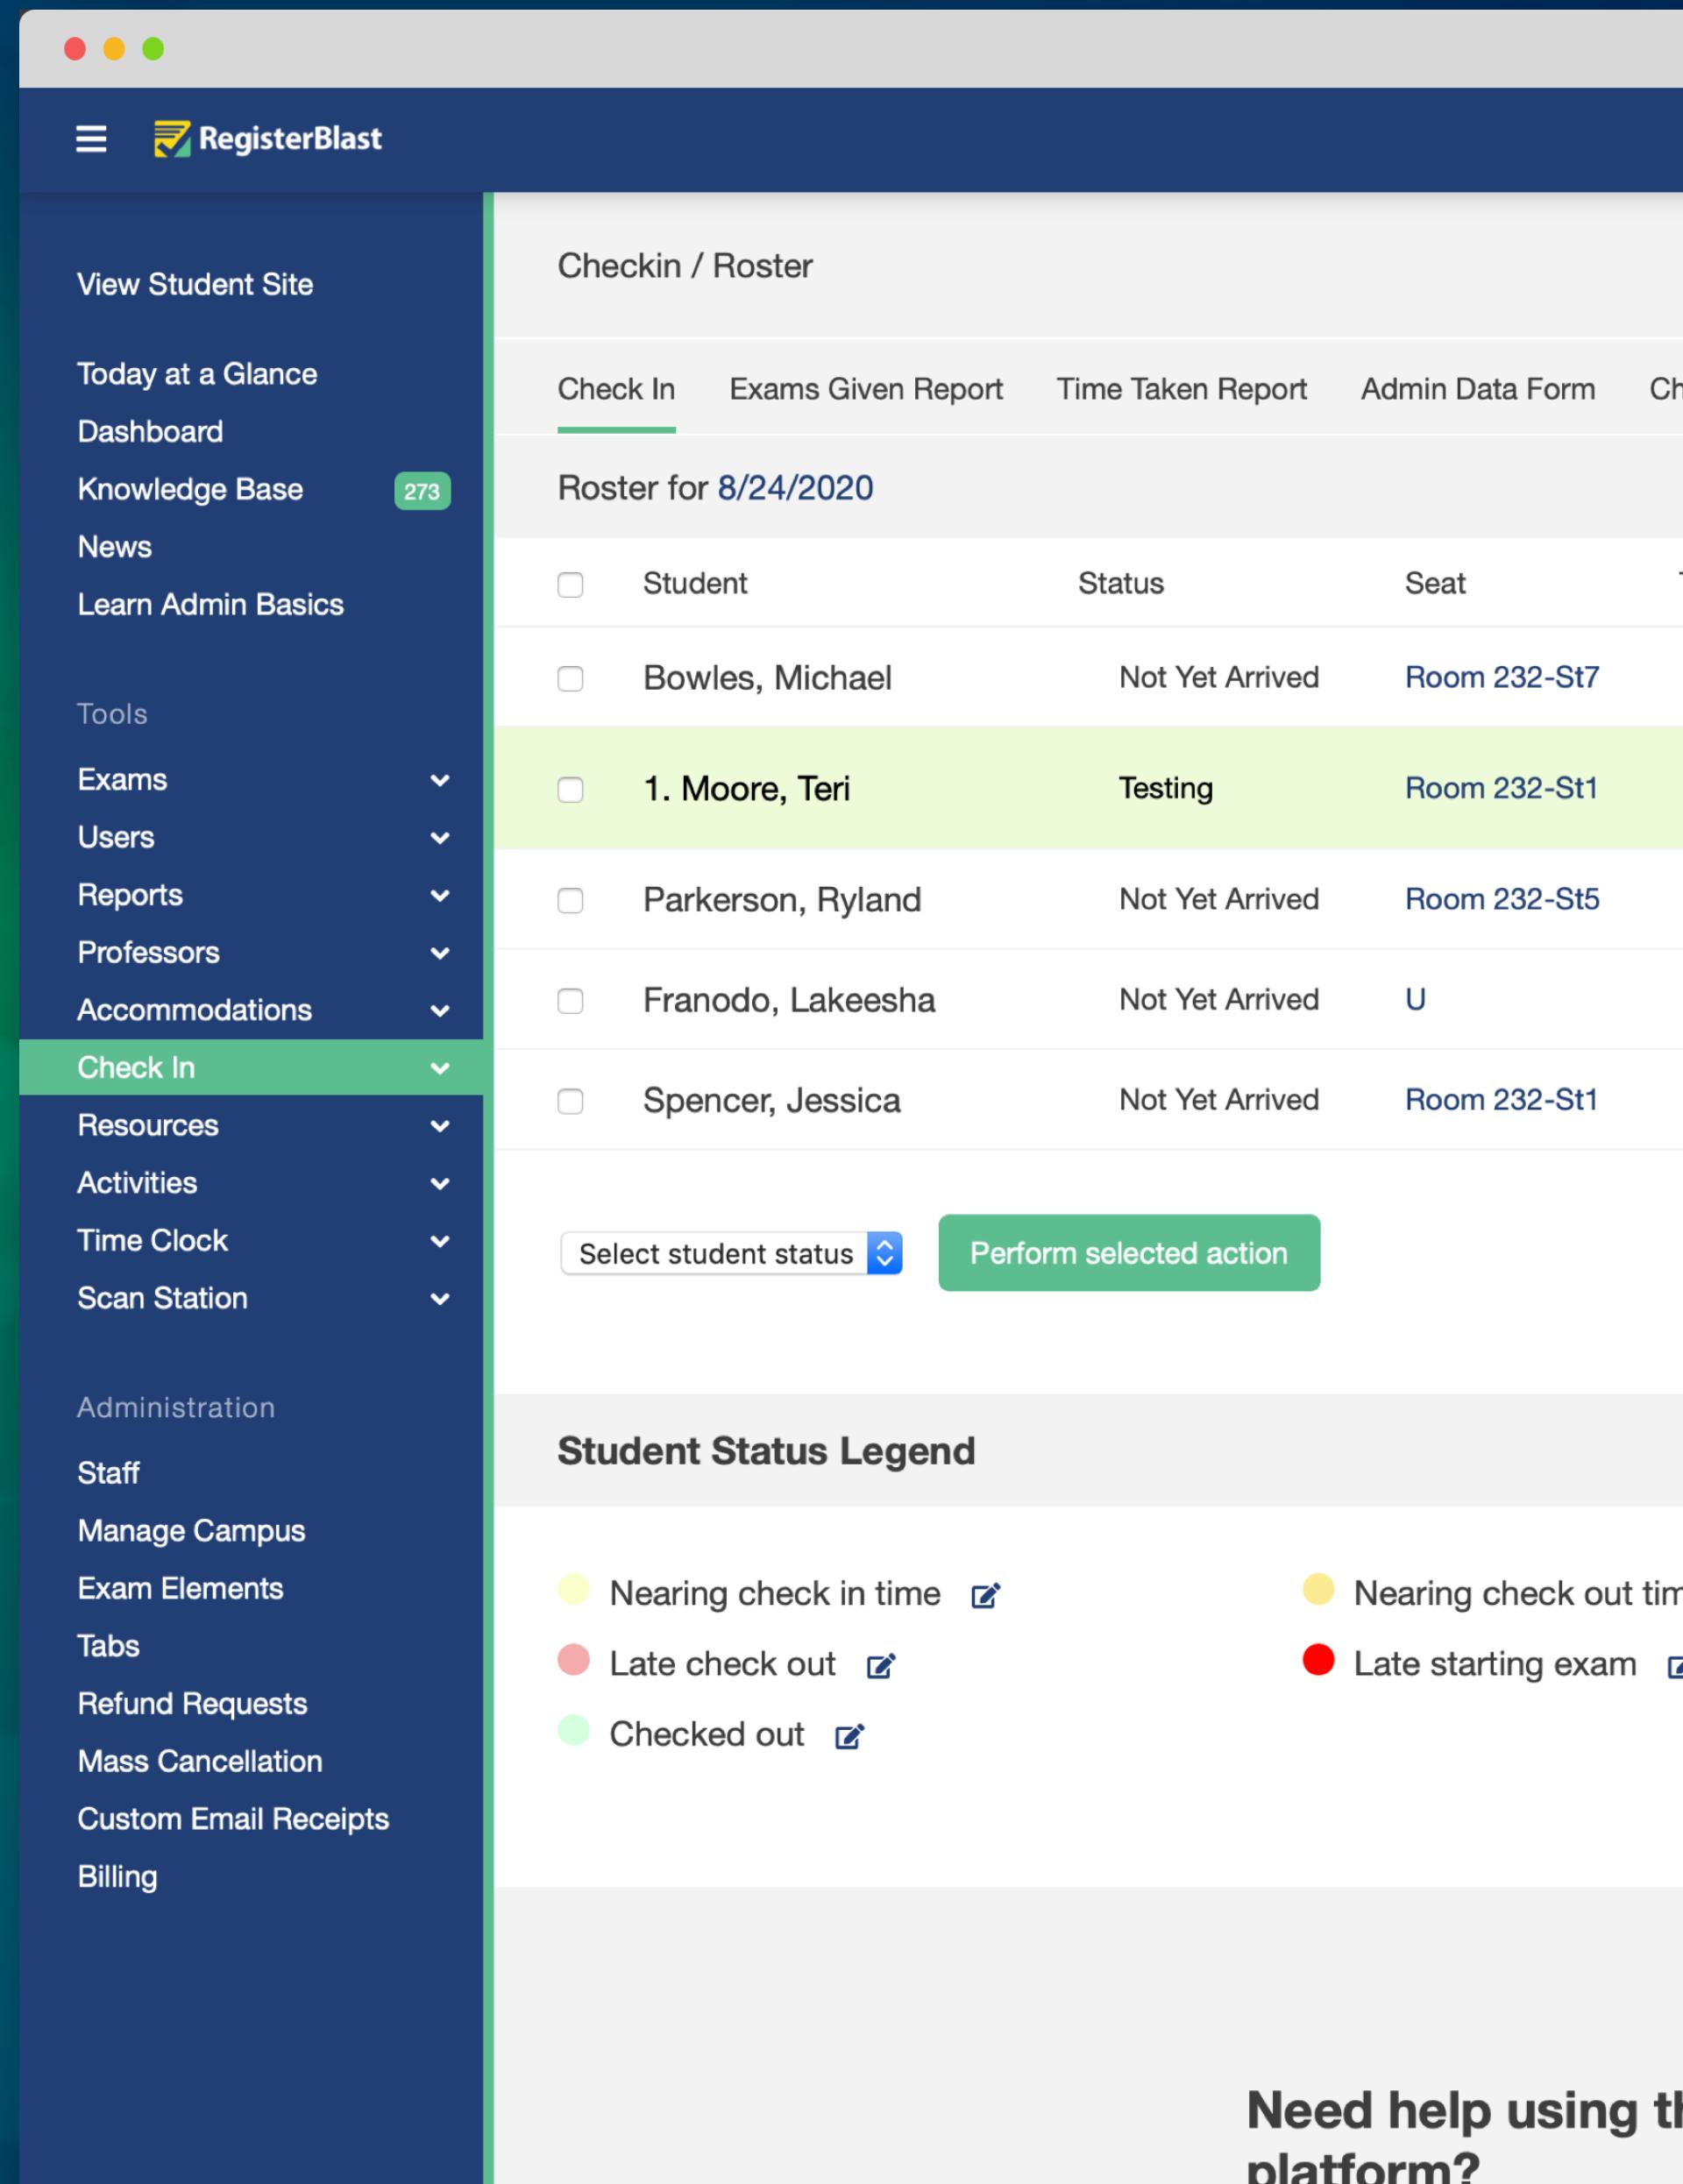

Welcome to **RegisterBlast University**. Please schedule for your exams below. We look forward to seeing you soon!

SEATING CHARTS

Assign seats and minimize unnecessary interactions.

- Manage seat assignment quick and easy.
- Reassign vacant seats to new registrants.

The screenshot shows the RegisterBlast software interface. The left sidebar contains a navigation menu with items like View Student Site, Today at a Glance, Dashboard, Knowledge Base (with a 273 notifications badge), News, Learn Admin Basics, Tools, Exams, Users, Reports, Professors, Accommodations, Check In (which is expanded to show Resources, Activities, Time Clock, and Scan Station), Administration, Staff, Manage Campus, Exam Elements, Tabs, Refund Requests, Mass Cancellation, Custom Email Receipts, and Billing. The main content area is titled "Checkin / Roster" and shows a table for "Roster for 8/24/2020". The table has columns for Student, Status, and Seat. It lists six students: Bowles, Michael (Not Yet Arrived, Room 232-St7), 1. Moore, Teri (Testing, Room 232-St1), Parkerson, Ryland (Not Yet Arrived, Room 232-St5), Franodo, Lakesha (Not Yet Arrived, U), and Spencer, Jessica (Not Yet Arrived, Room 232-St1). Below the table are buttons for "Select student status" and "Perform selected action". A "Student Status Legend" at the bottom defines the colors: yellow for "Nearing check in time" (with a pencil icon), red for "Late check out" (with a pencil icon), green for "Checked out" (with a pencil icon), yellow for "Nearing check out time" (with a pencil icon), and red for "Late starting exam" (with a pencil icon). A watermark at the bottom right says "Need help using this platform?".

EVENT TOOL

Manage events easily from any location.

Monitor revenue and attendance. Scan tickets or QR code to check-in.

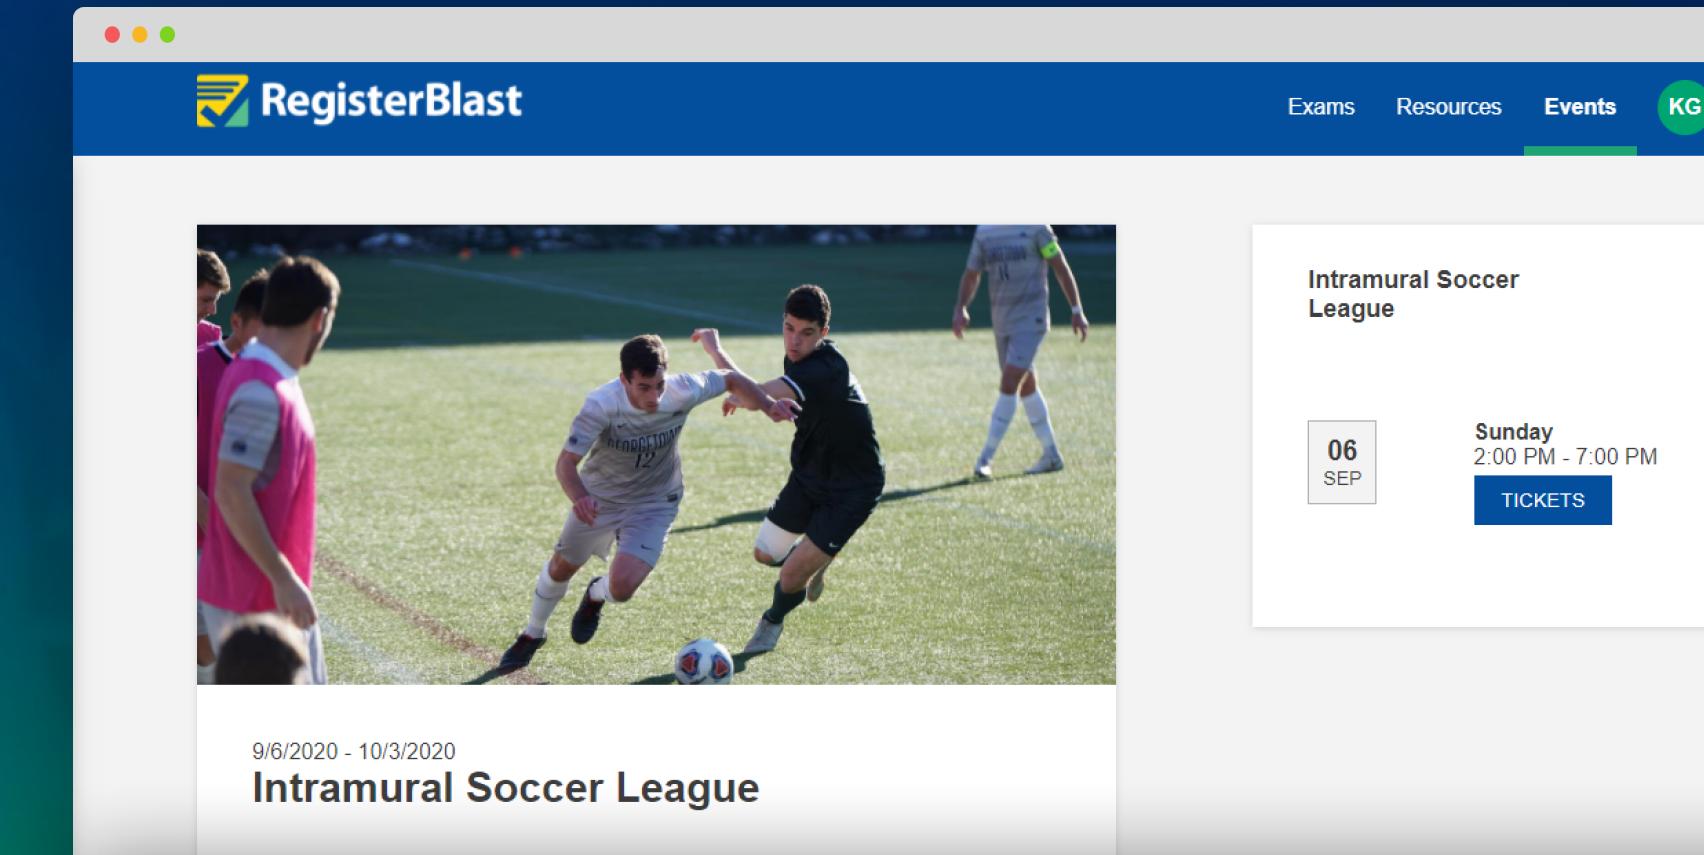

The screenshot shows a software interface for managing events. The top navigation bar includes a green header with the text 'EVENT TOOL', a red header with 'Manage events easily from any location.', and a sub-header 'Monitor revenue and attendance. Scan tickets or QR code to check-in.' Below the header is a blue sidebar with the 'University' logo and a list of navigation items: View Student Site, Dashboard, Calendar, Knowledgebase, News (with a '10' badge), Tools, Exams, Users, Reports, Professors, Accommodations, Check-in, and Events (which is the active tab, highlighted in green). The main content area displays event details for the 'Student Literature Society Annual Antique Book Fair' on June 15. The event summary includes a calendar icon, the event name, a description ('The Student Literature Society presents the second annual Antique Book Fair open to the public. Bring your favorite book...'), and metrics: Revenue (\$56.99), Attendees (132), and Seats Available (150/325). Below this is a table showing attendee details: Name, Shortcode, Ticket Type, Seat Assignment, and Check-in Status (indicated by a toggle switch). The table lists four attendees: Tyler Benning (General Admission, Section D, Row 5, Seat 36, checked in), Neal Cunningham (VIP, Section C, Row 12, Seat 4, not checked in), Jema Polowski (General Admission, Section D, Row 4, Seat 22, checked in), and Yoo Seung Boon (General Admission, Section A, Row 2, Seat 10, not checked in).
